

The Recreational Facilities Gagnef Municipality

Rules of Conduct

- In this facility both staff as well as visitors are expected to treat each other with kindness and respect.
- We take good care of our facility's furniture and interior decorations. We do not stand or walk on our furniture. We do not have pillow fights, and we do not play music with a volume so high that the speakers explode. If we spill something, we clean it up. We do not run inside the building. When our legs want to run we go outside to satisfy that need. We look seriously on deliberate vandalism. Those who are guilty will be liable for any and all damages.
- In areas marked "No Shoes" we take off our shoes
- Everyone takes part in setting up the room, and to put things back where they belong, even if we have to pick up after someone else. That's the way it works here.
- Our facility is free from drugs and tobacco.
- If you choose not to follow our Rules of Conduct you are not allowed to visit us. You will be reprimanded should you forget any of the rules. However, if you continue to disobey by the rules you will be sent home. The recreational leaders will then call your legal guardians about why you had to leave the recreational facility.
- If you choose to come to the facility under the influence of alcohol you will be suspended for one month. We will of course inform your legal guardians.
- If you want to know more about the way we work in regard to visitors who are breaking our Rules of Conduct, you are welcome to address the staff or visit our homepage www.gagnef.se where the procedure is thoroughly described on the "Parents site."
- All visitors must have a special visitors card. You can get the card at any of the recreational facilities. The card is free of charge. When you receive the card, your signature will confirm that you accept our simple, yet important Rules of Conduct. You may visit us throughout the year you turn 18, thereafter we will be happy to assist in creating a place for older youth to visit, but we will not oversee or administrate such a place.
